Hi!

Every weekend my family and I go to the mountains. My family and I go to Parkhyz and stay at a hotel. They have the best service and the most delicious food! In this hotel there is also a swimming pool in the building and you can have a good rest there. When it's sunny there we can probably ride the cable cars or go to coffee. And when the weather is rainy we can stay near the hotel and sit on the swing watching any movie. In general, I advise you to go there! You will not regret it!

Hi, Bill!

I'm also very interested in foreign languages, cultures and countries. And most I'm interested in Asian language, culture and countries. I really love China, Korea, Japan and I already start studying Chinese and Korean. In future I plan to start studying Japanese and maybe Thai. Also I know English and some French, Italian and Germany. I hope I'll can be a very good translator or traveler. If I have a lot of money, I can ~~do~~ be already in another country, but I haven't. Where are you would want to travel? And how long? Would you live in another country in future?

With love,

Polina

Hello Bill,

Thanks for your recent letter. It's always lovely to hear from you again. Sorry for not answering earlier, I was busy with my exam.

In your letter you told me about your plans on the future career. About me, I decided my future profession too. It's a lawyer. The reason of (my decision) is that all members of my family are working in that area. So, it's like a family business.

It's great to hear that you are making plans about travelling. What countries would you like to visit? When will you go on a trip? Will you go by yourself or by your own?

Sorry, I have to go. My mom asked me to help with house tasks.

Keep in touch,

Ann
